We are proud to offer you this 2015 BMW M4 Competition Package, Tuned with Many Upgrades for sale!

The BMW M4 is the next edition to the popular M line series that the automaker has turned plenty of heads with in recent years. This grand

coupe features a robust in-line six cylinder engine with a twin-turbocharger that cranks out 430 horses of raw power, teasing your senses with its seven-speed auto-clutch with wheel paddles at 406 pound-feet of torque. The curvy body, large spoked rims, and immaculate cabin, which offers limited roominess for rear passengers, embodies all of the striking features car lovers have grown to expect from Bavarian Motor Works. The weight-reducing carbon fiber frame has helped increase speed, enhance handling and assure better mpg. The interior features decadent leather upholstery, premium sound system, on board navigation with touchscreen and command center with iDrive electronics interface and driver assist, and a beautiful alloy trim. It's everything that you'd expect from BMW.
